

## **ON CENTER SOFTWARE, INC.**

### **Electronic End User License Agreement**

**NOTICE TO USER:** This End User License Agreement ("Agreement") is a legal agreement. Please read the Agreement carefully before completing the installation process and using the Software. It provides a license to use the Software and contains warranty information and liability disclaimers. BY INSTALLING THE SOFTWARE, YOU ARE AGREEING TO BECOME BOUND BY THE TERMS OF THIS AGREEMENT. You ("Licensee") agree that this Agreement is like any written negotiated agreement signed by you. The Agreement is enforceable against you and any legal entity that obtains the Software and on whose behalf it is used. If you do not agree with the terms of this Agreement, do not install or use the Software. The terms of this Agreement also apply to any On Center Software upgrades, patches, modified versions, updates, additions, copies of the Software licensed to you by On Center or third parties, and support services for the Software, unless other terms accompany those items. If so, those terms apply.

#### **1. Definitions**

1.1 "On Center" means On Center Software, Inc.

1.2 "Software" means (a) all of the information with which this Agreement is provided, including but not limited to: (i) all software files and other computer files or information; (ii) sample and stock photographs, images, sounds, clip art and other artistic works bundled with On Center software; and (iii) related explanatory written materials and files ("Documentation"), and (b) any modified versions and copies of, upgrades, patches, updates, and additions to such information, provided to you by On Center or third parties on behalf of On Center at any time, to the extent not provided under separate terms (collectively, "Updates").

1.3 "Physical Server" means a computing device running an operating system on which other software or utilities are installed. The operating system runs directly on the hardware of the device, not in an emulated or virtualized environment. A Virtual Server is not a Physical Server.

1.4 "Virtual Server" means software implementation of a computing device that executes programs like a physical machine but is not directly running as the operating system for the physical machine on which the software implementation is running (also referred to as an emulator or guest operating system).

#### **2. License Grants**

Subject to the terms and conditions set forth in this Agreement, On Center grants you a non-exclusive, non-transferable, limited license to install and use the Software on compatible devices. You may install and use the Software as permitted by the license type purchased and as described in this Agreement. The license type purchased is specified either in the product or on the product receipt or invoice.

#### **3. License Types**

3.1 **Single Seat License:** Under the terms of a Single Seat License, the Software is licensed for use by one user on one device at a time. This license type may also be referred to as a "Local" License. The Single Seat License permits you to install the Software on more than one computer system, e.g., a desktop computer and a laptop computer normally used by the same person at different times, provided that there is no possibility that the Software will be used on more than one computer system simultaneously; any such simultaneous use requires a separate license for each computer system.

3.2 **Trial License:** A Trial License may be used only to review, demonstrate and evaluate the Software for a limited time period. The Trial Version of the Software may have limited features and may cease operating after a predetermined amount of time or number of uses based on a metering mechanism within the Trial License as determined solely by On Center.

3.3 **Academic License:** Under the terms of an Academic License, the Software may only be used by a student or a faculty/staff member for educational purposes while actively studying or teaching at an educational institution and for no other purpose. The Academic Version of the Software may have limited features and will cease operating after a predetermined amount of time. An Academic License may not be shared or used at the same time on different devices. Academic Licenses may not be used for commercial, professional, or for-profit purposes.

3.4 **Subscription License:** Under the terms of a Subscription License you may use one copy of the Software for the specified term of the Subscription License. The term of the Subscription License begins on a date you choose for the start of your subscription and continues for the term specified when you subscribe to the product. If the term is not specified when you subscribe to the product, then the term is thirty (30) days. The Subscription License will terminate if the Licensee fails to comply with any term or condition in this Agreement, including failure to pay associated fees when due. In case of termination, Licensee will not be entitled to

a refund of amount paid for the license to use the Software, or any other amounts for any reason. Software with a Subscription License may contain a device that limits Software usage in accordance with the license.

**3.5 Freeware License:** Under the terms of a Freeware License, one individual is licensed to use the Software on one computer or computing device at a time. The Freeware Version of the Software has limited features. The Freeware user may use the Freeware License for evaluation or production purposes. The Software licensed under the Freeware License is not eligible for product support.

#### **4. Licensing Requirements and Restrictions**

**4.1 Virtualization Technology:** The Software may be installed within a virtual (or otherwise emulated) hardware system so long as the use of the Software meets the terms of the license type. Floating Seat Licenses are the only license types that permit virtual system uses. Virtualization technology may not be used to circumvent other licensing terms and restrictions.

**4.2 Non-Human Devices:** Non-human devices that utilize the Software without interaction are counted as users. Each device that runs the Software must be properly licensed to use the Software with one of the license types described herein. Examples of non-human devices include, but are not limited to, virtual PCs, build servers, unattended PCs for batch jobs, etc.

**4.3 Backups:** Regardless of which version of the Software you have acquired, you may make two archival (backup) copies of the Software. However, the use of such backup copies must be in complete compliance with the terms of this Agreement.

**4.4 Prior Versions:** Prior versions of the Software may be installed on the same computer with a properly licensed current version of Software. A prior version may be used by a properly licensed user in place of the current version of the software. The prior version is not an additional license of the Software; it may be used only as a substitute for the current version.

**4.5 Audit:** You agree that On Center may audit your use of the Software for compliance with these terms at any time, upon reasonable notice. In the event that such audit reveals any use of the Software by you other than in full compliance with the terms of this Agreement, you shall reimburse On Center for all reasonable expenses related to such audit in addition to any other liabilities you may incur as a result of such non-compliance.

**4.6** The Software is licensed as a single product. The Software and its constituent parts may not be reverse engineered, decompiled, disassembled or separated for use on more than one computer, nor placed for distribution, sale, or resale as individual creations by you. You may not alter, merge, adapt or translate the Software, or otherwise reduce the Software to a human-perceivable form. You may not modify the Software or create derivative works based upon the Software.

**4.7** The provision of source code, if included with the Software, does not constitute transfer of any legal rights to such code, and resale or distribution of all or any portion of all source code and intellectual property will be prosecuted to the fullest extent of all applicable local, federal and international laws. All On Center Software and other files remain On Center's exclusive property. If source code or modifiable files are provided, regardless of any modifications that you make, you may not redistribute them unless On Center has expressly designated these as re-distributable.

**4.8** Other than as expressly set forth in Sections 2, 3, and 4, you may not make or distribute copies of the Software, or electronically transfer the Software from one computer to another or over a network.

**4.9** You may not rent, lease, sublicense, lend, sell, assign or transfer the Software, including any documentation. Unless otherwise expressly authorized in a separate written agreement between, and executed by, you and On Center, you may not use, or permit the use of, the Software on a timeshare or service bureau basis. In addition, unless otherwise expressly authorized in a separate written agreement between, and executed by you and On Center, you may not host, on a subscription basis or otherwise, the Software to permit a third party to use the Software for any reason.

**4.10** Unless otherwise provided herein, you shall not (A) in the aggregate, install or use more than one copy of the Trial Version of the Software, (B) download the Trial Version of the Software under more than one username, (C) alter the contents of a hard drive or computer system to enable the use of the Trial Version of the Software for an aggregate period in excess of the trial period for one license to such Trial Version, (D) disclose the results of software performance benchmarks obtained using the Trial Version to any third party without On Center's prior written consent, (E) use the Trial Version for any application deployment or ultimate production purpose, or (F) use the Trial Version of the Software for a purpose other than the sole purpose of determining whether to purchase a license to the Software; provided, however, notwithstanding the foregoing, you are strictly prohibited from installing or using the Trial Version of the Software for any commercial training purpose.

**4.11** You may not use the Software to create any product that directly or indirectly competes with the Software.

**4.12** You may not export the Software into any country prohibited by the United States Export Administration Act and the regulations thereunder.

**4.13** If the Software was purchased with an Enterprise License Manager, in the event that you are installing the Software on a Physical Server, you will be required to purchase and install the latest version of Enterprise License Manager – Physical Edition to use the Software, and if you are installing the Software on a Virtual Server, you will be required to purchase the latest version of Enterprise License Manager – Virtual Edition to use the Software. In the event that you install the Software on a Physical Server or Virtual Server and thereafter want to install the Software on the other type of server, you will be required to purchase the other version of Enterprise License Manager in order to use the Software on such other server. Enterprise License Manager allows On

Center to track the use of the Software on the applicable Physical Server or Virtual Server, and your installation of the Software will constitute your agreement that On Center may utilize Enterprise License Manager for such purposes.

4.14 If the Software includes, or, in connection with the acquisition of the Software you receive, two or more operating environment versions of the Software (e.g. Macintosh® and Windows®), two or more language translation versions of the Software, the same Software on two or more media, and/or you otherwise receive two or more copies of the Software, you may use only one copy of one version of the Software.

4.15 If the Software was purchased with a Floating Seat License, you may not permit the number of individuals simultaneously logged in to the Software to exceed such number of floating seats permitted by the license to the Software purchased by you.

4.16 On Center may adopt from time to time such mechanical or electronic methods it deems necessary or appropriate to control unauthorized use or distribution of the Software. Such methods may require that the Software be used only with a protection device or code provided to you by On Center. If a hardware device is lost, it may only be replaced for the cost of a new license. Damaged hardware devices may be replaced after the damaged device has been returned to On Center.

4.17 At the sole discretion of On Center, certain ancillary features and services may from time to time be made available to you for use with the Software (the "Ancillary Services"). An example of such Ancillary Services, without limitation, is the use of Project Express with the Software, if such Ancillary Service has been made available to you by On Center at the time of your acquisition of this License. Notwithstanding the foregoing, at any time and at the sole discretion of On Center (a) any or all of such Ancillary Services may be modified or discontinued and/or (b) the availability or continued availability of such Ancillary Services may require the payment by you of a separate service fee in an amount determined by On Center in its sole discretion. Any such service fees will be in addition to your License fees and maintenance fees and/or other fees or amounts paid to or charged by On Center. In no event will any Ancillary Services be available to you (with or without payment of an additional service fee) if you do not participate in the On Center maintenance program or if you are not current on all required payments to On Center.

4.18 If the Licensee is making payments in accordance with a payment plan and fails to pay a fee when due, the License will terminate and can be deactivated. In case of termination, Licensee will not be entitled to a refund of the amount paid for the license to use the Software, or any other amounts for any reason. Software offered with a payment plan may contain a device that limits Software usage in accordance with the license.

4.19 Circumvention: Licensee may not utilize any equipment, device, software, or other means designed to circumvent or remove any form of copy protection used by On Center in connection with the Software, or use the Software together with any authorization code, serial number, or other copy-protection device not supplied by On Center directly or through an authorized distributor. In the case of network versions, the Licensee may not utilize any equipment, device, software, or other means designed to circumvent or remove the On Center Enterprise License Manager (if any). The Licensee may not utilize any equipment, device, software, or other means designed to circumvent or remove any usage restrictions, or to enable functionality disabled by On Center.

4.20 If the Software is pre-commercial release or beta software ("Pre-release Software"), then this section applies. The Pre-release Software is a pre-release version, does not represent final product from On Center, and may contain bugs, errors, and other problems that could cause system or other failures and data loss. On Center may never commercially release the Pre-release Software. You will promptly return or destroy all copies of Pre-release Software upon the earlier of On Center's request or upon On Center's commercial release of such Software. Use of Pre-release Software is at your own risk.

#### **5. Upgrades and Bundles**

If this copy of the Software is an upgrade from an earlier version of the Software, it is provided to you on a license exchange basis. You agree by your installation and use of such copy of the Software to voluntarily terminate your earlier Agreement.

#### **6. Support and Maintenance Services**

6.1 On Center may provide you with maintenance services related to the Software subject to an additional charge. Use of any such support services is governed by On Center policies and programs which may change from time to time.

6.2 As part of these maintenance services, On Center may make available bug lists, planned feature lists, and other supplemental informational materials. On Center makes no warranty of any kind for these materials and assumes no liability whatsoever for damages resulting from any use of these materials. Furthermore, you may not use any materials provided in this way to support any claim made against On Center.

6.3 Any supplemental software code or related materials that On Center provides to you as part of the maintenance services, in periodic updates to the Software or otherwise, is to be considered part of the Software and is subject to the terms and conditions of this Agreement.

6.4 With respect to any technical information you provide to On Center as part of the maintenance services, On Center may use such information for its business purposes without restriction, including for product support and development.

6.5 On Center's obligation to provide maintenance and or other services for previous versions may be terminated upon a new release.

6.6 Users who utilize the On-Screen Takeoff Auto-Naming feature authorize On Center Software to access their image data exclusively for purpose of analysis.

## **7. Software Activation and Updates**

**7.1 Software Activation and Deactivation:** The Software may use your internal network and Internet connection for the purpose of transmitting license-related data at the time of installation, registration or update to an On Center-operated license server and periodically validating the authenticity of the license-related data in order to improve customer service and to protect On Center against unlicensed or illegal use of the Software. Activation is based on the exchange of license related data between your computer and an On Center-operated license server. You agree that On Center may use these measures and you agree to follow any applicable requirements.

**7.2 Update Notification Service:** On Center may provide an update notification service with the Software. An update notification service may use your internal network and Internet connection for the purpose of transmitting license-related data to an On Center-operated update notification server at appropriate intervals and determine if there is any update available for the Software and notify you of its availability.

**7.3 Software Data:** On Center collects non-personally identifiable (or anonymous) information for purposes of improving our products and services, providing services to you, facilitating the provision of software updates, dynamically served content and product support as well as communicating with you. The non-personally identifiable information that On Center collects includes technical and related information that identifies your computer (including the Internet Protocol Address) and operating system, as well as information about your Software usage and other user navigational information. By virtue of your continued use of the Software, you consent to On Center collecting and using this information.

## **8. Intellectual Property**

**8.1** The foregoing grants of rights give you a limited license to use the Software. Except as expressly provided in this Agreement, On Center and its applicable suppliers retain all right, title and interest, including all copyright and intellectual property rights, in and to, the Software (as an independent work and as an underlying work serving as a basis for any improvements, modifications, derivative works, and applications you may develop), and all copies thereof. All rights not specifically granted in this Agreement, including federal and international copyrights, patents, trademarks and trade secrets are reserved by On Center and its applicable suppliers.

**8.2** You may not copy the Software, including the documentation, except as set forth in this Agreement. Any copies that you are permitted to make pursuant to this Agreement must contain the same copyright and other proprietary notices that appear on or in the Software, including the Documentation.

**8.3** Trademarks shall be used in accordance with accepted trademark practices, including identification of trademark owner's name. Trademarks only can be used to identify printed output produced by the Software. Such use of any trademark does not give you any rights of ownership in that trademark.

**8.4** If the licensed right of use for the Software is purchased by you with an intent to reverse engineer, decompile, or illegally transfer any intellectual property or trade secrets, including any exposed methods or source code where provided, no right of use shall exist, and any products created as a result shall be judged illegal by definition of all applicable law. Any sale or resale of intellectual property or created derivatives so obtained will be prosecuted to the fullest extent of all local, federal and international law.

## **9. Limited Warranty and Disclaimer**

**9.1** THE SOFTWARE AND ANY RELATED SERVICES OR CONTENT ACCESSIBLE THROUGH OR IN CONNECTION WITH THE SOFTWARE ARE PROVIDED "AS IS", AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ON CENTER DISCLAIMS ALL OTHER REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED REGARDING THE SOFTWARE, INCLUDING DOCUMENTATION AND RELATED MATERIALS, AND ANY SUCH SERVICES AND CONTENT, INCLUDING, WITHOUT LIMITATION, WARRANTIES, EXPRESS OR IMPLIED, AS TO NON-INFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE, QUALITY OR SECURITY. ON CENTER DOES NOT WARRANT THAT THE SOFTWARE OR ANY RELATED SERVICES OR CONTENT IS FREE FROM BUGS, VIRUSES, ERRORS, OR OTHER PROGRAM LIMITATIONS, NOR DOES ON CENTER WARRANT ACCESS TO THE INTERNET OR TO ANY OTHER SERVICE OR CONTENT THROUGH THE SOFTWARE.

**9.2** NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ON CENTER, ITS DEALERS, DISTRIBUTORS, AGENTS OR EMPLOYEES SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF ANY WARRANTY PROVIDED HEREIN.

**9.3** SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION.

## **10. Limitation of Liability and Damages**

**10.1** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL ON CENTER, ITS OFFICERS, EMPLOYEES, AGENTS OR AFFILIATES NOR ANYONE ELSE INVOLVED IN THE DEVELOPMENT, MANUFACTURE OR DISTRIBUTION OF THE SOFTWARE BE LIABLE FOR ANY DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DIRECT OR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR PERSONAL INJURY, PERSONAL PROPERTY,

LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, LOSS OF TEXT OR DATA STORED IN OR USED WITH THE SOFTWARE AND/OR ANY RELATED SERVICES OR CONTENT ACCESSIBLE THROUGH OR IN CONNECTION WITH THE SOFTWARE, INCLUDING THE COST OF RECOVERING OR REPRODUCING THE TEXT OR DATA OR ANY OTHER PECUNIARY LOSS ARISING FROM OR OUT OF THE USE OR INABILITY TO USE THE SOFTWARE, ANY RELATED SERVICES OR CONTENT ACCESSIBLE THROUGH OR IN CONNECTION WITH THE SOFTWARE AND/OR OTHERWISE. THIS LIABILITY LIMITATION APPLIES EVEN IF YOU OR ANYONE ELSE HAS ADVISED ON CENTER OR ANY OF ITS AUTHORIZED REPRESENTATIVES OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF ANY SUCH DAMAGE IS CAUSED BY, ARISES OUT OF OR RESULTS FROM THE ORDINARY, STRICT, SOLE OR CONTRIBUTORY NEGLIGENCE OF ON CENTER, ITS EMPLOYEES, AGENTS, CONTRACTORS OR AFFILIATES. SOME STATES DO NOT ALLOW THE EXCLUSION AND/OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

10.2 ON CENTER'S TOTAL LIABILITY TO YOU FOR ACTUAL DAMAGES FOR ANY CAUSE WHATSOEVER WILL BE LIMITED TO THE AMOUNT PAID BY YOU FOR THE LICENSE AT ISSUE TO ON CENTER DURING THE TWELVE (12) MONTHS IMMEDIATELY PRIOR TO THE TIME THAT SUCH CLAIM AROSE.

10.3 SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION.

10.4 YOUR RESPONSIBILITY TO PRESERVE AND PROTECT COMPUTER DATA, SOFTWARE, AND OTHER ELECTRONIC FILES: YOU UNDERSTAND AND AGREE THAT IT IS YOUR SOLE RESPONSIBILITY TO BACK UP AND PROTECT ALL DATA, SOFTWARE, INFORMATION AND OTHER FILES STORED IN ANY MANNER ON YOUR COMPUTER, PERIPHERALS, SMARTPHONE OR OTHER APPLICABLE HARDWARE PRIOR TO A SERVICE APPOINTMENT WITH A SERVICE TECHNICIAN. IF OUR SERVICE TECHNICIANS WORK WITH YOU ON ANY PASSWORD OR OTHER ACCESS ISSUES (IN CONNECTION WITH SUPPORT SERVICES OR BACKUP AND GO), WE STRONGLY RECOMMEND THAT YOU RESET SUCH PASSWORDS(S) OR ACCESS FEATURE(S) IMMEDIATELY. ON CENTER AND ITS THIRD-PARTY SERVICE PROVIDERS SHALL NOT BE RESPONSIBLE AT ANY TIME FOR ANY SECURITY, LOSS, ALTERATION, OR CORRUPTION OF ANY OF YOUR SOFTWARE, SYSTEMS, DATA, OR FILES. YOU ACKNOWLEDGE THAT THE INTERNET IS NOT A SECURE NETWORK AND THAT THIRD PARTIES MAY BE ABLE TO INTERCEPT, ACCESS, USE, OR CORRUPT THE INFORMATION YOU TRANSMIT OR RECEIVE OVER THE INTERNET. YOU ALSO ACKNOWLEDGE THAT ON CENTER CANNOT AND DOES NOT GUARANTEE OR WARRANT THAT DATA, SOFTWARE, OR OTHER ELECTRONIC FILES THAT MAY BE PROVIDED, SUGGESTED, ACCESSED OR OTHERWISE AVAILABLE FOR DOWNLOAD IN CONNECTION WITH THE SERVICE WILL BE FREE OF DEFECTS, INFECTION OR VIRUSES, WORMS, TROJAN HORSES OR OTHER CODE THAT MANIFEST CONTAMINATING, MALICIOUS OR DESTRUCTIVE PROPERTIES.

10.5 THE FOREGOING LIMITATIONS ON LIABILITY ARE INTENDED TO APPLY TO THE WARRANTIES AND DISCLAIMERS ABOVE AND ALL OTHER ASPECTS OF THIS AGREEMENT.

#### **11. Basis of Bargain**

The Limited Warranty and Disclaimer and Limitation of Liability and Damages set forth above are fundamental elements of the basis of the agreement between On Center and you. On Center would not be able to provide the Software on an economic basis without such limitations. Such Limited Warranty and Disclaimer, Limitation of Liability and Damages enure to the benefit of On Center's licensors.

#### **12. Notice to U.S. Government End Users**

The Software and Documentation are "commercial computer software" or "commercial computer software documentation" as those terms are used in 48 CFR 12.212. Unless otherwise agreed, use, duplication or disclosure of such software and documentation by U.S. Government civilian agencies is subject to the restrictions set forth in 48 CFR 52.227-14 (ALT III) and 48 CFR 52.227-19, and use, duplication or disclosure by DoD is subject to the restrictions set forth in 48 CFR 227.7202-1(a) and 48 CFR 227.7202-3(a) or, if applicable, 48 CFR 252.227-7013(c)(1)(ii) (Oct. 1988). On Center Software, Inc., 8708 Technology Forest Place, Suite 175, The Woodlands, Texas 77381. The Software is unpublished-rights reserved under the copyright laws of the United States.

#### **13. Termination**

This Agreement may be terminated by On Center immediately and without notice if you fail to comply with any term or condition of the Agreement. Upon such termination you must immediately destroy all complete and partial copies of the Software, including related documentation and all backup copies.

#### **14. Third Party Software**

The Software may contain third party software which requires notices and/or additional terms and conditions. Such required third party software notices and/or additional terms and conditions are made a part of and incorporated by reference into this Agreement. By accepting this Agreement, you are also accepting the additional terms and conditions, if any, set forth therein.

The Software may facilitate your access to websites maintained by third parties offering goods, information, software, and/or

services ("Third Party Online Service(s)"). Your access to and use of any Third Party Online Services is governed by the terms, conditions, disclaimers, and notices found on such site or otherwise associated with such Third Party Online Services. On Center may at any time, for any reason, modify or discontinue the availability of any Third Party Online Services. On Center does not control, endorse, or accept responsibility for Third Party Online Services. Any dealings between you and any third party in connection with any Third Party Online Services and any other terms, conditions, warranties, or representations associated with such dealings, are solely between you and such third party. Third Party Online Services might not be available in all languages or to residents of all countries and On Center may, at any time and for any reason, modify or discontinue the availability of any Third Party Online Service.

#### **15. General Provisions**

15.1 This Agreement sets forth On Center's and its representatives' entire liability and your exclusive remedy with respect to the Software and the related matters set forth herein. You acknowledge that this Agreement is a complete statement of the agreement between you and On Center with respect to the Software and the related matters, and that there are no other prior or contemporaneous understandings, promises, representations, or descriptions with respect to the Software and the related Matters. This Agreement does not limit any rights that On Center may have under trade secret, copyright, patent or other laws. You agree that any varying or additional terms contained in any purchase order or other written notification or document issued by you in relation to the Software licensed hereunder shall be of no effect.

15.2 The representatives of On Center are not authorized to make modifications of this Agreement, or to make any additional representations, warranties or commitments binding upon On Center, other than in writing and signed by a duly authorized officer of On Center.

15.3 This Agreement will be construed in accordance with and governed by the laws of the State of Texas (without reference to choice of law principles), except for trademark, copyright and other matters governed by federal law. You hereby consent to the exclusive jurisdiction and venue of the state courts sitting in the State of Texas or the federal courts in the State of Texas to resolve any disputes arising under this Agreement. This Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded.

15.4 If this Software was acquired outside the United States, then you agree and ascend to adherence to all applicable international treaties regarding copyright and intellectual property rights which shall also apply. In addition, you agree that any local laws to the benefit and protection of On Center's ownership of, and interest in, its intellectual property and rights of recovery for damages thereto will also apply.

15.5 The failure or delay of On Center to exercise any of its rights under this Agreement or upon any breach of this Agreement shall not be deemed a waiver of those rights or of the breach.

15.6 If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law that provision will be enforced to the maximum extent permissible and the remaining provisions of this Agreement will remain in full force and effect.

15.7 You agree that the Software will not be shipped, transferred or exported into any country or used in any manner prohibited by the United States Export Administration Act or any other export laws, restrictions or regulations. You agree and certify that you are not a citizen or permanent resident of the following countries: Cuba, Iran, North Korea, Sudan or Syria.

15.8 On Center and other trademarks contained in the Software are trademarks or registered trademarks of On Center in the United States and/or other countries. Third party trademarks, trade names, product names and logos may be the trademarks or registered trademarks of their respective owners. You may not remove or alter any trademark, trade names, product names, logo, copyright or other proprietary notices, legends, symbols or labels in the Software. This Agreement does not authorize you to use On Center's or its licensors' names or any of their respective trademarks.
